

Marc Stenzel Joins Stater as Head of Compliance

April 2017 – Marc Stenzel has been appointed Head of Compliance at Stater Global Markets. He joins the FCA-regulated Prime of Prime brokerage with over a decade's experience in international compliance.

Marc, a fluent English, German and Spanish speaker, has extensive experience in e-FX trading and an in-depth knowledge of the FCA regulatory framework. His previous roles include Head of Compliance at FX Pro and Compliance Officer at IG.

According to Ramy Soliman, CEO, Stater Global Markets, "Marc has excellent institutional and retail industry experience from working at high calibre financial organisations. He has managed international compliance and has the right skills and knowledge to help us with our current offering and future plans."

Marc Stenzel added, "I knew Ramy from when he previously worked at IG. I was keen to join Stater Global Markets as I was impressed with his vision for the firm. Being Head of Compliance at Stater and working in a small, experienced team is a great opportunity for me. Not only can I build on my compliance expertise but I can also be more involved in the business development and decision making processes. I am looking forward to playing a key role in the team."

Stater Global Markets offers clients direct access to Tier 1 bank and non-bank liquidity, clearing and institutional grade technology. The London-based firm is a matched principal broker which takes no risk.
