

## **Stater Adds Cboe FX and FastMatch**

4 April 2018 - Stater Global Markets has extended the choice of trading venues on offer to its institutional clients, with the addition of Cboe FX and FastMatch. This latest development from the London-headquartered Prime of Prime brokerage gives clients more options to access large pools of diversified liquidity.

Ramy Soliman, CEO, Stater Global Markets adds, “We offer our own direct liquidity to clients but are aware that some of our institutional investors also want access to ECNs and alternative venues. By adding Cboe FX and FastMatch to our choice of trading venues, we are broadening the options available to clients, reflecting our agnostic value proposition of quality, flexibility and choice.”

Stater Global Markets’ clients now have access to a wide choice of ECN trading venues and front-end platforms including Currenex, Integral, Flextrade, PrimeXM, Cboe FX, FastMatch, MT4 and MT5.

Stater Global Markets is an FCA regulated brokerage which offers institutional clients direct access to Tier 1 bank and non-bank liquidity, clearing and institutional grade technology. The London-based firm is a wholly owned subsidiary of [Stater Blockchain Limited](#).
