

Stater Global Markets Joins oneZero's EcoSystem

13 March 2019 - Stater Global Markets has joined oneZero's EcoSystem, extending the distribution of its FX and CFD liquidity to oneZero's network.

The London-based FCA regulated Prime of Prime brokerage offers direct access to Tier 1 bank and non-bank liquidity. It has co-located with oneZero in LD4, with cross connections now in place to provide this liquidity to oneZero's institutional clients.

Ramy Soliman, CEO, Stater Global Markets comments, "Being part of oneZero's EcoSystem and offering our multi-asset liquidity to their bank, broker and hedge fund client base is a key part of our global growth strategy. In particular, the strength of oneZero in key regions such as Australia and Cyprus fits well with our growth objectives. oneZero's market reach and robust infrastructure combined with our customisable, high quality liquidity make this an ideal partnership."

Andrew Ralich, CEO, oneZero Financial Systems adds, "Stater Global Markets joining our EcoSystem is exciting news for our existing users. This partnership gives our customers new access to multi-asset liquidity from a top-tier Prime of Prime brokerage."

oneZero's EcoSystem is a mutually beneficial distribution network connecting 200 makers and takers. B2B brokers, Prime of Prime brokers, banks and non-banks distribute liquidity to a unique client base of retail brokers, asset managers, and hedge funds, who benefit by receiving discounted transaction fees.
